Our Service

Publishing

We provide overall publishing services, provide quality music for local and international production companies, and offer talented writers the opportunity to participate in local and international sessions and songcamps.

A&R / Project Managing

With experts in each field, we work with you from the planning stage to the final, best possible outcome.

We understand your needs and provide you with all the services you need, efficiently and in a variety of directions.

Training

The best trainers work together to create the best artists.

They may be experts in your genre of music, or they may be industry veterans with years of experience training top artists at major labels.

We select the right trainer for the right situation and provide thorough and attentive training.

Our Service

Planning a performance / event

We organize and execute various events such as performances, festivals, and corporate events.

We strive to increase client satisfaction through sensory processes such as conceptualized stage installations and art.

Booking

We are in control of booking celebrities, singers, dancers, influencers, models, etc. for events and contents.

We also offer customized consulting to fit your budget.

Create media content

We produce and deliver a variety of media videos, including music videos, web dramas, commercials, and idols' own content.

We can also organize special series in collaboration with broadcasting stations with experienced writers and PDs.

PUBLISHING SERVICE

Talented writers

We have a team of over 60+ local and international writers, with a diverse mix of sessions that result in unique and creative music.

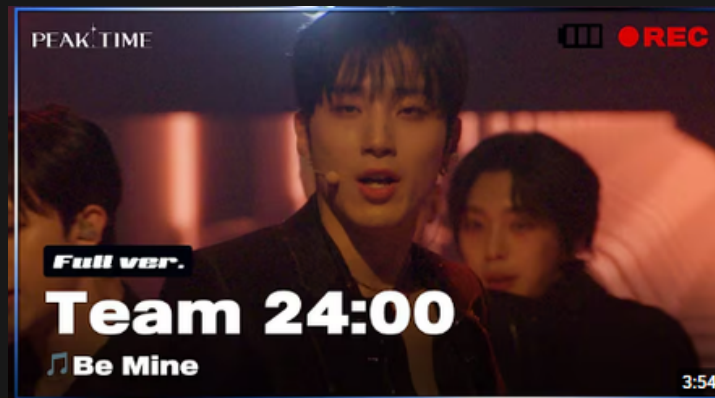

High-quality music

We're committed to quality control, utilizing fast and accurate communication as our biggest advantage, and we're committed to ensuring that you don't experience any delays or inconveniences along the way.

Song Camp

We also continue to organize online and offline songcamps in coordination with our clients for efficient and creative work.

A&R / PROJECT MANAGING SERVICE

Planning

Based on our various infrastructures and past experiences, we develop the best strategy for each project and devise a more efficient and effective workflow.

Scouting and facilitation

At every step of the way, we bring in the best experts to ensure the highest quality output.

We don't just hire on name recognition, we hire on merit, and we make sure it makes sense from a budget perspective.

Host auditions

In order to find artists who will lead the global pop market, we also conduct auditions for projects and entertainment companies in cooperation with overseas training centers.

Training SERVICE

The best instructors

We provide classes from a wide range of talented trainers, including former trainers from major labels, award-winning artists, and performers active in the genre music scene.

Customized curriculum

We find out where the client wants to take the training, organize the curriculum with the necessary classes, and make sure it's efficient without wasting unnecessary time.

Debut plans

We'll work with you to plan your debut, including the training of your trainees.

We help you select the final debut group, understand the characteristics of the debut group members, and organize the concept with a plan to produce the album.

Organizing a event SERVICE

Performances and events

We bring a wealth of experience to the table to create sensational performances and events.

We can organize anything from small private events to large festivals, and we make sure that everyone involved is delighted.

Sourcing and onsite moderation

We book the right artists, influencers, MCs, and more for your performance or event, and organize the right on-site staff.

Our veteran staff includes art, sound, and on-site staff to ensure your event runs smoothly.

Promotion

We can package and run a variety of promotions, including influencer and celebrity invitations, media ads, social media ads, outdoor ads, and more.

We provide efficient and appropriate promotion strategies.

Media Contents

Music Video

After coordinating the direction with the client, we create and deliver high-quality videos at a reasonable budget.

Depending on the direction of the video, we also provide suitable promotion strategies to ensure high satisfaction.

Idol's own content

We capture the fun and engaging side of artists in a way that's trendy and grows their fan base.

We have an experienced crew of directors.

Commercials

We also produce a variety of commercials according to each project's budget, including short-form, major, influencer videos, sponsored videos, public organizations, and private companies.

We will discuss branding strategies from low-budget creative commercials to high-quality commercials.
